

Guidelines For Mindteck Web Mail Login

- 1) **Login URL:** <http://email.mindteck.net>

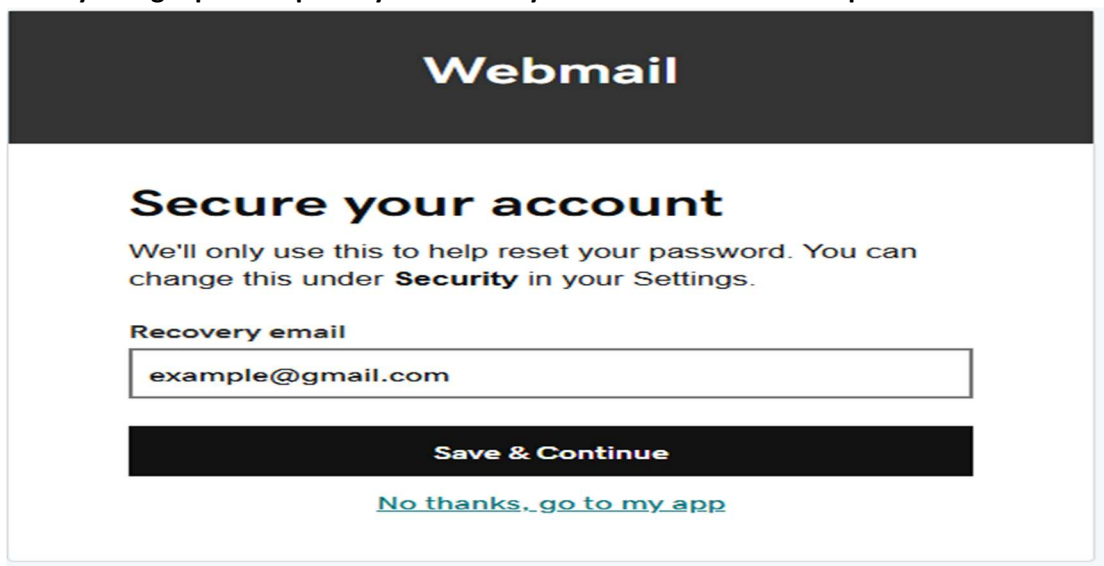

User Name: your mail id (Ex : sysadmin@mindteck.net)

Password: XXXXXXXXXX

The screenshot shows the 'Webmail' login interface. At the top is a dark header with the word 'Webmail' in white. Below this is a white box containing the 'Sign in' section. The 'Sign in' section has a title 'Sign in' in bold. Below the title are two input fields: 'Username *' with the value 'sysadmin@mindteck.net' and 'Password *' with a 'Show' link to its right. Below the password field is a checkbox labeled 'Keep me signed in on this device' which is checked. At the bottom of the sign-in section is a black button labeled 'Sign In'. Below the button is a link that says 'Need to find [your password?](#)'.

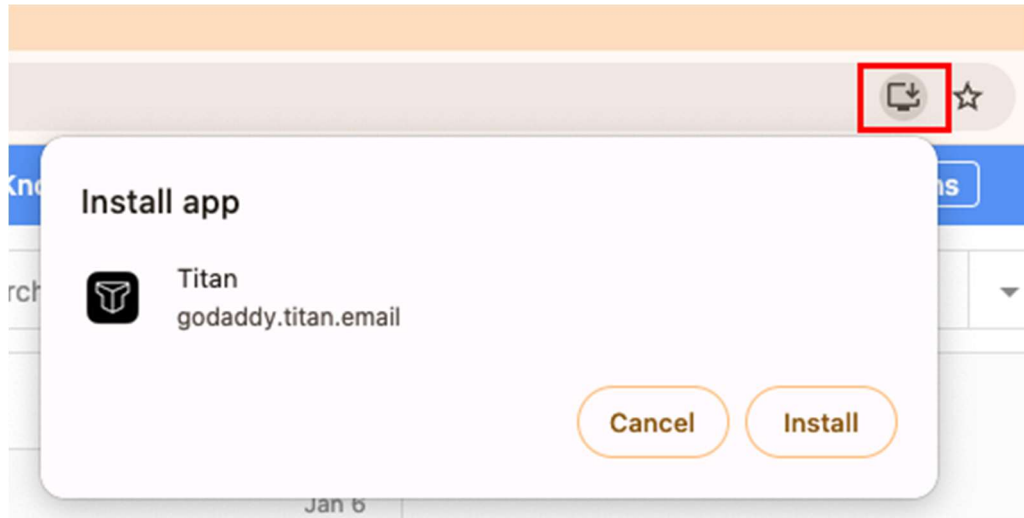

- 2) Once you login please update your recovery email address for future password resets.

The screenshot shows the 'Webmail' account security page. At the top is a dark header with the word 'Webmail' in white. Below this is a white box containing the 'Secure your account' section. The section has a title 'Secure your account' in bold. Below the title is a paragraph: 'We'll only use this to help reset your password. You can change this under **Security** in your Settings.' Below the paragraph is a label 'Recovery email' and an input field containing 'example@gmail.com'. At the bottom of the section is a black button labeled 'Save & Continue'. Below the button is a link that says '[No thanks, go to my app](#)'.

3) How to install Mail client in Desktop or Laptop?

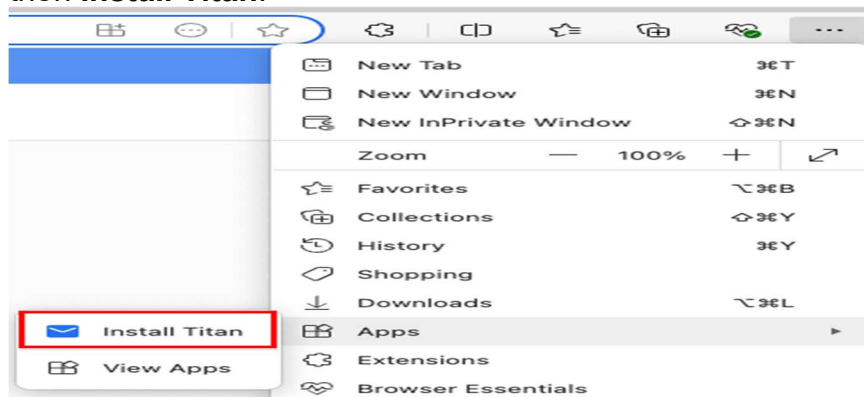

- a) In the address bar of Chrome, select the **Install app** icon, and then **Install it on your Laptop as app**.

To open the Professional Email powered by Titan PWA, go to your computer's app launcher and select the Titan icon, just like with any other app.

- b) Install the client through the settings in Edge.

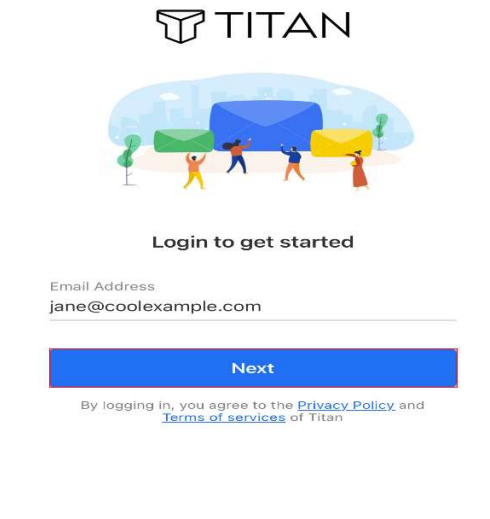

In the upper-right corner of Edge, select **Settings**, then **Apps**, and then **Install Titan**.

4) How to configure mails in Mobile ?

Download the Titan app for iOS Or Android from Play store or App Store

After it's installed, open the app and just login.

The image shows the Titan app's login screen. At the top is the Titan logo, which consists of a stylized cube icon followed by the word "TITAN". Below the logo is a colorful illustration of four people holding up large envelopes (green, blue, and yellow) in front of a city skyline. Underneath the illustration, the text "Login to get started" is displayed. Below this is a form with the label "Email Address" and the text "jane@coolexample.com" entered. A blue "Next" button is positioned below the email field. At the bottom of the form, there is a line of text: "By logging in, you agree to the [Privacy Policy](#) and [Terms of services](#) of Titan".
